OIL FOR THE BODY

You can't lose an atom without feeling it. The body is like an engine, a watch, a machine; must be kept in good order to run right.

That's the reason Scott's Emulsion is so successful in all wasting diseases. It feeds, nourishes and strengthens when ordinary food won't.

Doctors say Scott's Emulsion is the best nourishment for those who are not as well as they should be.

We use the whole oil in Scott's Emulsion because the great reputation of cod liver oil as a food and medicine was made by using it in this way. Substitutes in the shape of wines, cordials, extracts, etc., should be carefully avoided.

We'll send you a sample free upon request.

FOR THE STANFORD MUSEUM.

Mrs. Stanford has ordered in Delhi, India, some $60,000 worth of examples of Indian embroidery, gold work, etc., for the museum at Stanford University. The man who has the order is the same merchant who made the coronation robe for Queen Alexandria and the dress worn by Lady Curzon at the famous Dubar when King Edward was proclaimed Emperor of India. He is the most famous man in that line in the world, and employes an army of workmen, all of the work being done by hand. The designers and embroiderers, who are particularly skillful get 42 cents a day, while the ordinary men get 18 and the apprentices 8 cents. On those large sums they support a wife and more or less children with ease. If Mrs. Stanford gets her collection at equally good rates she will be able to send a very large assortment home for her $60,000. The collection will include specimens of the most intricate for which the Indians have been famous for years. The art of encrusting robes with jewels will be especially shown, and the finest work with gold lace and in cloth of gold will be exhibited. There will be nothing to equal the collection in any museum in the world.

Keep the streets clean. Dirty streets injure the town in the eyes of strangers and also make home folks. The city must lead in the matter of cleanliness and beauty if it expects citizens to evince a like spirit.

Of course Carnegie could have a deal of fun by contributing about a million to each of the party campaign funds. It would promote interest, and some of the old party "saw-horses" would carry the burden with magnificent fortitude.

WOODSIDE.

WOODSIDE, April 29—J. A. Folger and family are occupying Hazelwood Hills for the summer.

Miss Georgie Zittga and aunt, Mrs. McCormick, were the guests of their friend Miss Addie Tripp the first of the week.

O. Johnson has removed his slaughter house from the Rice place to the rear part of his ranch where it will be more convenient for his business.

Mrs. Andrew Nelson has gone to Santa Cruz, where she will spend a week with relatives and friends.

Miss Belle McArthur has been appointed census marshal and is actively engaged in the performance of her duduties.

G. W. Morril & Son have secured the contract to rebuild B. Carvasco's winery which was destroyed by fire recently.

A benefit dance by the hall association will be given to-morrow (Saturday) evening. The Tapioca band will furnish music and a fine supper will be served. Everybody is cordially invited to have a good time.

Teaming has commenced in good earnest here. Owing to the late spring rains the roads will not be so dusty as last year and traveling will be more pleasant.

Joseph A'Hearn has returned to town to look after the plumbing work on the Folger ranch.

Miss Edith Bottger was given a pleasant surprise by her many friends last Saturday evening. The evening was spent in merry-making of all kinds after which was followed a swell repast. Surprise parties seem to be the rage just at present and will continue as long as they turn out successfully.

Mrs. Stacy of San Francisco is visiting here this week with her mother, Mrs. P. Mathieson.

Hard hitting tells the story of the game with Mayfield at Woodside last Sunday. The "Woods" were the chief offenders and they carried off the game to the tune of 16 to 11. McArthur occupied the box for the home team and Mayfield started things rolling by touching him up for three hits and as many runs in the initial inning. When Woodside went to bat in their half they proceeded to hammer Mayfield's usually invincible pitcher all over the lot for seven tallies and when the fireworks cleared away the "Mays" had a new man to "pass them up to the alley." Woodside kept ahead all through the game, which was replete with long hits. In the fifth Larsen took the slab for the home nine and held the "Mays" safe. For the visitors the Messa family played the best game, while McArthur, Hoyle and Chester did the best stick work for Woodside. Young Haaker played a good fielding game at "short" for the home aggregation.

Suing the Jessen Estate.

The suit of William Jessen against James Crowe, administrator of the estate of Hans Jessen, deceased, was on trial in the Superior Court yesterday forenoon before Judge Buck. The plaintiff, who was raised by the deceased Jessen and lived with him ten years, is seeking to recover $1190.40 for services rendered and money loaned. When the account was presented to Mr. Crowe he rejected it, preferring that the court pass upon the claim. The suit was partially tried and will be presented to the court on briefs.

An Enjoyable Journey.

Prof. J. A. Foshay, Superintendent of Schools, Los Angeles, is organizing a party to leave the Pacific Coast on June 11th, for a tour of Europe, including England, Scotland, Holland, the Rhine, Germany, Italy and France, with a six days' stop-over at St. Louis to see the Exposition. This will be a fine opportunity, especially for school teachers in the long vacation, to visit such historic spots as Stratford-on-Avon, Edinburgh, The Hague, Cologne, Frankfort, Venice, Geneva and Paris, whilst many more of equal interest will be on the itenery of the fortunate members of Prof. Foshay's party. Write Prof. Foshay for particulars.

Though Redwood City cannot claim a record for great activity in building lines, a steady growth is apparent. New houses are in course of construction here the year round, but as they have always been in the settled section of the town they were not noticeable. Now, however, the limits of the town have begun to stretch out and a number of neat homes may be seen growing up in what was formerly the Robinson and Schroeder tracts. In the latter, particularly, the recent addition of several new homes is to be noted, and two more, those of Mr. J. Leslie and Mr. Alberts, will soon be ready for occupancy, while several others will be erected in the near future. It is gratifying to the town pride to have such neat cottages erected as are now being built, as they present a very pleasing picture to the passing automobilist, equestrian or pedestrian.

Thursday evening Mr. and Mrs. L. Behrens entertained the Glee Club of Sequoia Union High School at their beautiful home in the Robinson subdivision. The members were chaperoned by Professor Jeffers and Miss Linscott and all the high school faculty. The club numbering sixteen members were royally entertained by the host and hostess. During the evening some choice musical selections were rendered making the happy hours go merrily by. At eleven o'clock the doors of the spacious dining-room were opened and all partook of a tempting supper fit for the gods to enjoy. The reception was voted by the club to be the most enjoyable it has ever been tendered.

Joseph M. McArdle, a native of California, died Thursday after a lingering illness of tuberculosis. Mr. McArdle had been for a number of years employed at the San Francisco Mint and had lived on the Island in this city for several months. The deceased was married to Miss Kate Cuffley about five years ago. The remains were sent to San Francisco yesterday where the aged father resides. The interment will be in Holy Cross, Colma. Deceased was 38 years of age.

TO BE A FINE CEMETERY.

It Will Be Located at Colma and Behind the Project Are Wealthy Lodges.

It Is for the Best Interests of San Mateo County That the Petition Be Granted.

"To be, or not to be; that is the question." Whether or not to permit certain streets in a vegetable garden near Colma to be closed, so that a cemetery may be opened, is the question which will confront the Board of Supervisors at their regular meeting next Tuesday. The matter has been before the board for some time and it is the desire of the petitioners to close the streets, which have never been open to traffic and have existed only on a map, so that a large fraternal cemetery may be started at that place. The land, which was some years ago subdivided and laid out in town lots but which has since been used for market-gardening purposes, has been bought by the cemetery corporation and if the board permits they will close the streets and begin work immediately toward laying out the future "City of the dead."

A few residents of Colma, represented by H. W. Brown, have entered a protest before the board, requesting that the streets be left open. They claim that

FOR THE STANFORD MUSEUM.

Mrs. Stanford has ordered in Delhi, India, some $60,000 worth of examples of Indian embroidery, gold work, etc., for the museum at Stanford University. The man who has the order is the same merchant who made the coronation robe for Queen Alexandria and the dress worn by Lady Curzon at the famous Dubar when King Edward was proclaimed Emperor of India. He is the most famous man in that line in the world, and employes an army of workmen, all of the work being done by hand. The designers and embroiderers, who are particularly skillful get 42 cents a day, while the ordinary men get 18 and the apprentices 8 cents. Sunday. "The woods" were the chief offenders and they carried off the game to the tune of 16 to 11. McArthur occupied the box for the home team and Mayfield started things rolling by touching him up for three hits and as many runs in the initial inning. When Woodside went to bat in their half they proceeded to hammer Mayfield's usually invincible pitcher all over the lot for seven tallies and when the fireworks cleared away the "Mays" had a new man to "pass them up to the alley." Woodside kept ahead all through the game, which was replete with long hits. In the fifth Larsen took the slab for the home nine and held the "Mays" safe. For the visitors the Messa family played the best game, while McArthur, Hoyle and Chester did the best stick work for Woodside. Young Hanker played a good fielding game at "short" for the home aggregation.

Suing the Jessen Estate.

The suit of William Jessen against James Crowe, administrator of the estate of Hans Jessen, deceased, was on trial in the Superior Court yesterday forenoon before Judge Buck. The plaintiff, who was raised by the deceased Jessen and lived with him ten years, is seeking to recover $1190.40 for services rendered and money loaned. When the account was presented to Mr. Crowe he rejected it, preferring that the court pass upon the claim. The suit was partially tried and will be presented to the court on briefs.

An Enjoyable Journey.

Prof. J. A. Foshay, Superintendent of Schools, Los Angeles, is organizing a party to leave the Pacific Coast on June 11th, for a tour of Europe, including England, Scotland, Holland, the Rhine, Germany, Italy and France, with a six days' stop-over at St. Louis to see the Exposition. This will be a fine opportunity, especially for school teachers in the long vacation, to visit such historic spots as Stratford-on-Avon, Edinburgh, The Hague, Cologne, Frankfort, Venice, Geneva and Paris, whilst many more of equal interest will be on the itenery of the fortunate members of Prof. Foshay's party. Write Prof. Foshay for particulars.

Miss Finger was very ill with nervous prostration, at a San Francisco hospital, after she left here but is now almost entirely recovered.

It is more than likely that before a great many months an electric railway will connect San Jose with San Francisco. The promoters of the electric railway for the town of Santa Clara have been figuring on a road from that place to Palo Alto, and word comes from Palo Alto that within a short time the San Mateo line will be extended from that place to Palo Alto. From Palo Alto to Santa Clara is only about 20 miles, and as the country is level it is said the road could be built for $8000 a mile.

Among those who will receive the degrees of Bachelor of Arts at Stanford University during the second week of May are Miss Myrtle Rosseter, J. Leslie Johnston and Hjalmar E. Holmquist. Miss Rossater will be graduated from the English department while both of the young gentlemen will receive their diplomas from the law department. Redwood City has a large number of graduates from Stanford who have been well prepared for the problems of life by their four years sojourn at that institution of learning.

Though Redwood City cannot claim a record for great activity in building lines, a steady growth is apparent. New houses are in course of construction here the year round, but as they have always been in the settled section of the town they were not noticeable. Now, however, the limits of the town have begun to stretch out and a number of neat homes may be seen growing up in what was formerly the Robinson and Schroeder tracts. In the latter, particularly, the recent addition of several new homes is to be noted, and two more, those of Mr. J. Leslie and Mr. Alberts, will soon be ready for occupancy, while several others will be erected in the near future. It is gratifying to the town pride to have such neat cottages erected as are now being built, as they present a very pleasing picture to the passing automobilist, equestrian or pedestrian.

Thursday evening Mr. and Mrs. L. Behrens entertained the Glee Club of Sequoia Union High School at their beautiful home in the Robinson subdivision. During the evening some choice musical selections were rendered making the happy hours go merrily by. At eleven o'clock the doors of the spacious dining-room were opened and all partook of a tempting supper fit for the gods to enjoy. The reception was voted by the club to be the most enjoyable it has ever been tendered.

THE NEW COURT HOUSE.

LAYING THE CORNER STONE.

The People of San Mateo County Are Promised a Glorious Time.

The Festivities Will Close with a Dance and Thus End a Memorable Day.

Monday will be a gala day for Redwood City. Probably never in the history of the town has there been such a time as will be enjoyed on Monday, May 2d, and it is doubtful if such another day will be celebrated for a century to come. Redwood will not participate in the festivities alone, but the whole county will be here to help lay the corner-stone of the handsome new court-house which will be erected. Already decorators are showing off their craft to good advantage, and by Monday Redwood will be pleasing to look upon. The committee in charge of the preparations has left nothing undone to make the occasion as memorable as possible. When one looks back at the struggles which Redwood City has had to retain the county seat, it seems like a dream to think that the corner-stone of a new $200,000 court-house willl be put in place on Monday. The different fraternal societies have taken hold of the affair with a zest and it is safe to say that nearly every organization in the county will be represented in the line of march. The exercises will be interesting and the Grand Lodge of Masons of California will have charge of the actual laying of the memorable stone.

The route to be taken by the procession is as follows: Promptly at 10:30 a. m. it will move along Main to Stambaugh, Stambaugh to Beech, Beech to Phelps, Phelps to Main, Main to A street, A street to Arguello, Arguello to Eighth, countermarching on Arguello to A street; A street to court-house, where the ceremonies will be held.

R. H. Jury will act as Grand Marshal, with Joseph J. Bullock as chief aid and P. D. Broner, W. A. Maloney, Geo. D. Greeley and Horacee Nelson as aids.

The Redwood City Band will furnish the music, P. Thorsen, drum major, leading.

The organizations taking part in the line of march will appear in the following order:

Redwood City Band.
San Mateo Athletic Club.
Esperito Santo Society.
Y. M. I. of San Mateo.

City Council of Redwood City.

Carriages will be provided for the Supervisors, President and Vice-Presidents, Orator, Chaplains, and City Councils of San Mateo and Redwood City.

Nearly all the schools in the county will be closed, and it is hoped as many as can will take part in the day's festivities. All the children will be provided with seats on the lawn during the laying of the corner-stone.

High School Baseball.

The high school baseball nine played their first game last Thursday upon the Hoitt diamond and succeeded in holding the fast green and gold players down to the score of 8 to 3. Consideridg the fact that the high school boys went into the game without any practice, they did very well against the speedy Hoitt players. Inability to connect with the ball when the bases were occupied, and stupid base-running kept the Redwood score down. Hoitts hit the two Sequoia twirlers, Stafford and DeKnight, for a total of thirteen hard smashes, most of which came in bunches, while the green and gold pitchers allowod but ten scattered safe hits. Twice Sequoia had splendid chances to bunch runs, having the bases full and no one out, but clever fielding and heady pitching secured a shut-out in each case. The score book gives every Hoitt player one or more hits, while DeKnight and Halsey secured six of the ten Redwood smashes, being credited with three each. Sequoia's line up was as follows: Shermantine, center field; Curran, left field; Halsey, first base; Bulware, third base; DeKnight, short; Dodge, right field; Fitzpatrick, catcher; Haaker, second base; Stafford, pitcher. A return game will be played some day next week.

Married in San Francisco.

Carl Mabie, the popular baggage-man at the Southern Pacific Company depot here surprised his many friends by slipping off to San Francisco this week and marrying Miss Ina Joachim at the home of the bride on Franklin street. The wedding took place at 8 p. m. and the young couple took the coast line train Thursday morning for Los Angeles where they will spend their honeymoon. They will return to Redwood about May 10th and will make their home in the cottage where D. R. Stafford resides.

Mr. Mabie has lived here for the past four years and has won many friends by his manly bearing and cheerful disposition. The bride was a schoolmate of Mr. Mabie's they both having been raised at Los Gatos. For the past year Mrs. Mabie has resided in San Francisco. With their many friends the Times-Gazette joins in wishing the young couple long life and happiness.

Retire from Business Here.

Philip Princevalle left yesterday for San Francisco to reside for a few months. The Palace of Sweets here has been placed in the hands of the San Francisco Board of Trade to be sold by their agent Harry B. Morris. Owing to the continued ill health of his wife Mr. Princevalle has decided to move from Redwood City. P. A. Ryan has secured the agency for the Daily Call. Mr. Princevalle has resided in this city for the past ten years and the departure of himself and wife is a matter of deep regret. After spending a few months in the city they will likely go to Los Angeles where Mr. Princevalle has a flattering offer to engage in business.

Berry Train.

The Southern Pacific Company will put on the freight special berry train from the Pajaro valley, Monterey county, to San Francisco early in May.

STRICKEN WITH PARALYSIS.

Judge Charles N. Fox Near That Shadow Feared by Man.

Judge Charles N. Fox, uncle of Deputy County Clerk Claude Fox and a former member of the Supreme Court of California and one of the best known jurists in the State, was stricken with paralysis of the brain Thursday afternoon and is now very low at his home in Oakland. His family and the physicians in attendance entertain little hope of his recovery and expect his death within a very short time.

Judge Fox was appointed to the Supreme bench in 1889 by Governor Waterman, to complete the unexpired term of Judge Jackson Temple, who had resigned. He took his place in the court on July 1st of the same year. For 25 years before that time he had been a lawyer in San Francisco, engaged principally as general attorney for the Spring Valley Water Company. His general practice was in partnership with A. and H. C. Campbell, and also with M. B. Kellogg until 1899, when F. R. King was added to the latter firm.

Charles N. Fox was born in a pioneer home in Wayne county, Mich., in 1829, the eldest of a family of eight children. He worked on the farm and went to a log schoolhouse until he was 15 years of age, when he went to Ann Arbor determined to work his way through college. Before his couree was finished illnese compelled him to leave college and enter a printing office. He became editor of a country paper and at 21 was made chief deputy in the office of the Recorder of Deeds in his county. Two years later he was elected City Recorder of Ann Arbor, and a vacancy occurring in the Mayor's office, he served as ex-officio Mayor. At the same time he kept up his legal studies and in 1858 was admitted to the bar by the Supreme Court of Michigan.

In the next year he followed his parents to California, and settling in this county was in three months appointed to fill a vacancy in the District Attorney's office and was successively elected District Attorney of San Mateo for five years, when he refused to be nominated again.

Since 1866 Judge Fox and his family have resided in Oakland. He there took an active interest in public affairs and served as a member and president of the Oakland Board of Education. He is a prominent Odd Fellow.

TO BE A FINE CEMETERY.

It Will Be Located at Colma and Behind the Project Are Wealthy Lodges.

It Is for the Best Interests of San Mateo County That the Petition Be Granted.

"To be, or not to be; that is the question." Whether or not to permit certain streets in a vegetable garden near Colma to be closed, so that a cemetery may be opened, is the question which will confront the Board of Supervisors at their regular meeting next Tuesday. The matter has been before the board for some time and it is the desire of the petitioners to close the streets, which have never been open to traffic and have existed only on a map, so that a large fraternal cemetery may be started at that place. The land, which was some years ago subdivided and laid out in town lots but which has since been used for market-gardening purposes, has been bought by the cemetery corporation and if the board permits they will close the streets and begin work immediately toward laying out the future "City of the dead."

A few residents of Colma, represented by H. W. Brown, have entered a protest before the board, requesting that the streets be left open. They claim that the nearness of the site to Colma will lessen the value of property at that place; but a large majority of citizens of the town are desirous of having the board grant the petition, and they contend that the place would make an ideal location and would be a benefit rather than a drawback to Colma.

The fact that wealthy fraternal interests are behind the project makes it eminently fitting that Colma should desire that it be located near by. There can be no question but that it will be one of the most beautiful burial places on the coast; and Charles L. Patton, the San Francisco attorney, who is representing the petitioners, says that the amount which will be expended will make the cemetery second to none in the United States.

Whatever may be said on either side, it cannot be denied that this would be a good location for a cemetery. It is close to San Francisco and in the immediate neighborhood of Cypress Lawn, Holy Cross and the other large burial grounds.

In discussing the matter with many who are in a position to know whereof they speak, the Times-Gazette is assured that it is for the best interests of the county to have the petition granted. It will work a hardship on no one, and will tend to make property more valuable. Had the streets ever been used for travel it would be a different proposition, but they have been used only for raising beans and potatoes.

If is to be hoped, therefore, that the board will see fit to grant the petition, particularly as no one will be injured thereby. It seems to be the desire of a large number in the county that the cemetery should be located in that section, so the project should pass. The cemetery if opened will be for the Masonic and other fraternal organizations. The site is about half way between Colma and Brooksville.

Sequoia Defeats Lick.

After vainly challenging the basket-ball team of the San Mateo High, Palo Alto and Cogswell school, the Sequoia girls secured a game with the California School of Mechanical Arts last Thursday afternoon. With a former score of 10 to 11 against them, they demonstrated their superior ability to the San Francisco young ladies, with the reprisal of 9 to 4. The contest was exciting and interesting from start to finish and was replete with spectacular throws and clever rushes. At the end of the first half the score stood 3 to 0 in favor of Sequoia, and the purple and white players added six more to their opponents' four in the second round. Of the Sequoia's team Captain Lottie Genochio and Alma Nobs were the best scorers, while Natelie Hansen played the cleverest game as guard. The Redwood team lined up as follows: Forwards, Lulu Reeger, Alma Nobs and Lottie Genochio; guards, Natelie Hansen, Edna Hayward and Ruth Robertson; centers, May Lovie, Cecelia Watrous and Cora Lovie; referee, Miss Linscott; umpire, Delia Roach.

A delightful at-home was held Saturday evening at the residence of C. M. Wooster. Strawberries are very slow ripening in this part of the valley. Some are being shipped every day, but as they sell for a dollar a box the majority of people are not strawberry hungry at present. It is said that in some fields catterpillars are doing considerable damage by eating the leaves of the plants. Mr. Bruno is shipping some every day and getting the best price in the San Francisco market.

Captain Charles Harkins and wife celebrated their silver wedding Sunday at their pretty country home on Menlo Heights. A number of intimate friends assembled and spent a few hours very pleasantly. The trustees of the sanitary district have posted up the rules and regulations concerning the public health of the district. Hog pens within 500 feet of dwellings must be removed. All cesspools must be filled up after due notice. The most serious regulation is that gum, cypress, elms, locust and other trees within 100 feet of the sewer pipe shall be cut down. This will mean great injury to some of our auenues, especially about Fair Oaks. The regulations will not be enforced rigidly.

During the week a retinue of servants in the employ of James Flood arrived from San Francisco to put the Flood mansion in readiness for the coming of Mr. and Mrs. Flood to-morrow.
